

LONDON BOROUGH OF LAMBETH

ROAD TRAFFIC REGULATION ACT 1984 – SECTION 14

TEMPORARY ROAD CLOSURE NEWBURN STREET

1. NOTICE IS HEREBY GIVEN that, to enable Telecommunication ducting works to be carried out, the Council of the London Borough of Lambeth, intend to make an Order, the effect of which would be to temporarily ban vehicles from entering in that length of Newburn Street which lies between Black Prince Road and Sancroft Street (approximately 60 metres).

Note: Access for residents would be maintained and access to the cycle lane would be maintained for cyclists, except for when works are being carried out at the end of the cycle lane near Sancroft Street.

2. Alternative routes for affected vehicles would be available via (a) Black Prince Road, Vauxhall Walk, Jonathan Street, Vauxhall Street and Sancroft Street; and (b) Black Prince Road, Kennington Road and Sancroft Street.

3. Whenever the ban referred to in paragraph 1 above applies, the one-way system in Newburn Road between Black Prince Road and Sancroft Street, would be temporarily suspended to allow access to and egress from properties and premises only accessible from that length of road.

4. The Order would come into force on 6th June 2024 for a maximum duration of 1 month (to allow for contingencies) or until the works have been completed, whichever is the sooner. In practice, it is anticipated that the Order would only have effect on 6th and 7th June 2024, but if the works cannot be carried out or completed during this time then the Order may also have effect on subsequent days within the maximum duration of 1 month.
