Where cabinet members are appointed in a job share, the average number of hours employed elsewhere are doubled.

The scheme allows members to claim travelling and subsistence allowances when on council business outside the borough, and childcare and carers' allowance against any costs they incur in arranging care to look after dependants who cannot be left by themselves by reason of age or special needs. These allowances may only be claimed in respect of approved duties.

At present a pension scheme for members is not in operation.

The full member allowances scheme is contained in the Council Constitution available on the council's website www.southwark.gov.uk
