These measures will all be introduced as an experiment in the first instance. Objections to this being continued on a permanent basis may be made, as well as any other comments – see paragraph 7].

3. The Orders are intended to restrict, and thereby reduce, through motor traffic in the West Dulwich Low Traffic Area, to improve air quality, increase road safety for all road users and improve the amenity of the area, whilst retaining vehicular access for residents and local businesses. The Orders are being introduced as an experiment in the first instance so their effect on the roads concerned and those in the surrounding area can be assessed before a decision is made about whether to continue them permanently.
4. Where it appears essential for certain purposes, the Council's Assistant Director of Infrastructure, Environment, Public Realm & Climate Change Delivery, or any person authorised by him, may modify, or suspend any of the Orders or any of their provisions under section 10(2) of the Road Traffic Regulation Act 1984.
5. A copy of each of the Orders and other documents giving detailed particulars about them are available for inspection online at: <https://streets.appway.com/lambeth> or www.lambeth.gov.uk/traffic-management-orders and at the offices of Lambeth Council's Parking and Enforcement Group (Parking, Network Management & Fleet), 3rd Floor, Civic Centre, 6 Brixton Hill, London SW2 1EG, between 9.30 am and 4.30 pm on Mondays to Fridays inclusive (except on bank/public holidays), until the Orders cease to have effect. To arrange an inspection please email: Trafficorders@lambeth.gov.uk.
6. The Council will consider in due course whether the provisions of the experimental Orders should be continued in force indefinitely by means of permanent Orders made under sections 6, 45 and 46 of the Road Traffic Regulation Act 1984. Any person may object to the making of the permanent Orders, within a period of six months beginning with the date on which the experimental Orders come into force or, if any of the experimental Orders are varied by another Order or modified pursuant to section 10(2) of the 1984 Act, beginning with the date on which the variation or modification or the latest variation or modification comes into force. Any such objection or any representation must be made in writing and all objections must specify the grounds on which they are made, using our consultation portal at <https://streets.appway.com/lambeth> or sent by post to Barbara Poulter, Parking and Enforcement Group (Parking, Network Management & Fleet), London Borough of Lambeth, PO Box 80771, London, SW2 9QQ or by email to: TMOReps@lambeth.gov.uk Any objection or representation received may be communicated to, or be seen by, other persons who may have an interest in this matter.
7. If any person wishes to question the validity of the Orders or any of their provisions on the grounds that it or they are not within the powers conferred by the Road Traffic Regulation Act 1984, or that any requirement of that Act or of any instrument made under that Act has not been complied with, that person may, within 6 weeks from the date on which the Orders are made, apply for the purpose to the High Court.
